

A scatter plot showing the relationship between P_{cu} (x-axis) and P_{st} (y-axis). The x-axis ranges from 200 to 330, and the y-axis ranges from 10 to 30. The data points are blue circles, and a black line represents the linear regression. The regression line shows a negative correlation, starting at approximately (200, 25) and ending at approximately (330, 10).
